

2016 VOLUNTEER PROJECT AND TRAINING DATES

Volunteer Project Dates

- For more information, or to sign up, please contact Kay Wiseman: kay@synergy3.org or 970-420-7346
- More details will be provided 1 week before the project to those registered.
- Locations will be determined by mother nature, unless otherwise noted.
- Minimum age is 14.

Date	Length	Title	Description
Thursday, June 16, 2016	8am-2pm	Plant Materials Collection	Volunteers will gather in open space areas to collect cuttings from willow, cottonwood, and dogwood species determined to be high priority for habitat restoration . Work will include bending, kneeling, and/or stooping. No experience necessary! Sites will be in Larimer and Boulder Counties, with exact locations determined about a week before each project, due to the unpredictable nature of seed development.

Training Dates

● Once trained and mentored, crew leaders become a valuable asset to Synergy, allowing Synergy and its partners to engage a wide range of volunteers in a safe, rewarding, and educational setting.

● For more information, or to sign up, please contact Kay Wiseman: kay@synergy3.org or 970-420-7346

● More details will be provided 1 week before the training to those registered.
